

RDX 35

This is a high-contrast, black-and-white scan of a document page. The page features a large, bold title 'SECONDARY OFFERS' at the top center. Below the title, there is a large, rectangular area with a grid-like pattern, likely a table or a form for listing multiple offers. The text within this area is very faint and illegible due to the high contrast. At the bottom of the page, there is a section with several lines of text and a small box containing the number '1000'. The overall appearance is that of a photocopy or a scan of a physical document.

This image shows a document page with high contrast, making the text very difficult to read. A vertical line on the left side contains the words "AdCO network". A vertical line on the right side contains the word "Scotiabank". The page is filled with tables and lists of names and numbers, which are too faint to be legible.

This image shows a heavily textured, high-contrast surface, likely a wall or a piece of fabric. The texture is grainy and noisy. Faint vertical lines are visible across the entire frame. In the lower right quadrant, there is a small, rectangular area with some printed text, which appears to be a label or a piece of paper attached to the surface. The text on the label is mostly illegible due to the poor quality of the image, but it includes some numbers and possibly a logo.

May 14 12:01:27 <fuzzy> it is
May 14 12:01:31 <fuzzy> we cant use that for RON
May 14 12:01:36 <fuzzy> that shows a nipple in it
May 14 12:01:43 <fuzzy> maybe dieter can run it, but we cant
May 14 12:02:22 <fuzzy> so lets get that ad redone
May 14 12:02:29 <fuzzy> without no nudity
May 14 12:02:39 <fuzzy> the bottom part is too risque for RON too

May 14 12:03:06 <fuzzy> we cant run it ourselves though
May 14 12:03:23 <fuzzy> actually its best not to run it at all on ron
May 14 12:03:28 <fuzzy> that might upset people and give bad publicity
May 14 12:03:35 <fuzzy> i think we can redo it easily enough and keep high ctr
May 14 12:05:36 <leo75> pcprivacytool.com/privacy/index.php?p=26
May 14 12:05:36 <leo75> pcprivacytool.com/privacy/index.php?p=22
May 14 12:05:36 <leo75> pcprivacytool.com/privacy/index.php?p=32

May 14 12:08:42 <fuzzy> these pics are too risque
May 14 12:08:43 <fuzzy> pcprivacytool.com/privacy/index.php?p=22
